# Part D

Please explain why your school should be supported by a grant to meet the cost of digital accounts. In your statement, please include information on:

- your school’s circumstances, including school type (state/independent, selective/non-selective), the student population your school serves, and your school’s pupil premium/free school meals percentages;
- whether you have approached any other sources of funds to help you acquire materials (e.g. grants from other bodies, contributions from parents);
- how you think receiving a grant will change the provision of Latin at your school;
- anything else you think we should be aware of.
