<sup>i</sup> During the academic year 2019-2020, Book 1 is undergoing trials in 40 schools across the UK and North America. It is possible that the outcome of these trials will lead to some changes to the content, or order of content, in the book.

<sup>ii</sup> Each chapter is designed to contain sufficient material for two to four weeks' study, depending on teaching time available, the age of the students and the depth in which teachers wish to approach a particular topic.

<sup>iii</sup> *Suburani* consists of two books, each containing 16 chapters.

For NA users, Book 1 is designed for Latin 1 and Book 2 for Latin 2.

For UK users, Books 1 and 2 together cover the language content of GCSE (Eduqas and OCR). Schools may wish to use Book 1 at KS3 and Book 2 at KS4.

Once the two books of *Suburani* are complete, work will begin on content for further study.
